## **NEW VERSION OF MANAGED CARE TRAINING MANUAL RELEASED**

--MCOL'S POPULAR E-LEARNING RESOURCE FOR PROFESSIONALS UPDATED AND EXPANDED -

**MODESTO, CA, ---** MCOL, a leading publisher of health care business information announces the release of version 15 of its popular e-learning resource, the Managed Care Training Manual. The cost is \$98 for individual licenses, with site licenses available. For additional details and online ordering, please visit: <https://www.managedcaresite.com/mctraining.html> or call 1.209.577.4888.

Says Clive Riddle, MCOL President, "Since 1995, MCOL's Managed Care Training Manual has proven to be an invaluable e-learning resource for many thousands of customers from all types of organizations. With each update, we've continually enhanced the Manual, added new features, kept up with changing industry trends and practices, updated relevant statistics and improved the look and feel of the Manual. The version 15 update is perhaps the most comprehensive update since inception of the Manual."

The new edition of the Training Manual contains two new features: a 17 minute Managed Care Primer video discussing a spectrum of managed care concepts; and an Infographics module with 49 selected topics illustrating relevant data points. The other fully updated and expanded modules include: the "Intro to Managed Care" with 14 chapters and 165 pages in executive style presentation format and optional interactive quizzes, including a new chapter on Value-Based Care; "Advanced Topics" with 76 selected white papers categorized into 6 sections covering 233 pages including 16 new papers; Managed Care Timelines; Managed Care Fact Sheets; Data Maps covering 36 different topics illustrating applicable data by state, including 13 new topics; Overview Video; and a Support Section.
