\$295 Annual Subscription – Save \$173! see order form on reverse side for details

Every month, readers of *HealthSpend News* will be able to:

- Get valuable specific insights, strategies, data and business intelligence to help drive smarter healthcare spending and performance
- Keep pace with major developments that impact healthcare financial, operational and quality of care performance.
- Receive practical information that goes beyond widely-repeated generic material
- Obtain summarized results from programs reducing waste inside the system, created lower costs, and delivered lower expenses to members and buyers
- Benefit from insights into specific initiatives, resources, tools, and people used to generate positive results
- Monitor all aspects of cost - both claim payments (the buyer view of costs) as well as internal expenses (costs within the health delivery system)
- Identify stronger versions of value-based payment that are essential to create affordable programs
- Save time and energy in monitoring sources that are less visible (including breaking news as conferences occur during the year)
