

# Readmissions NEWS

**The monthly newsletter for stakeholders interested in management of hospital readmissions**

Keep on top of clinical, regulatory, operational, strategic and marketplace developments regarding hospital readmissions!

Each issue has twelve pages with detailed feature articles contributed by leading national experts and operators in the field, Thought Leader insights; Industry Briefs; Profile of a key individual involved with hospital readmissions management; plus more.

Subscribers receive issues in print and electronic format, and also receive exclusive web site access to an archive of back issues and supplemental content.

**Every month, readers of *Readmissions News* will be able to:**

- Get valuable business intelligence, networking and contact information regarding issues related to hospital readmissions
- Monitor current legal, regulatory, policy and payor reimbursement and contracting issues regarding management of hospital readmissions
- Build a knowledge base and accumulate key insights with detailed information available in guest articles and interviews with industry experts
- Maintain a working knowledge of applicable clinical, care and quality management, and business opportunities and challenges arising from identifying and addressing potentially preventable hospital readmissions
- Keep pace with the current environment regarding hospital readmission concepts, trends, benchmarks, results, reimbursement policies, contractual arrangements, analytics, guidelines and more
- Read about the case experiences of health systems, medical groups, health plans or care management organizations already involved with applicable initiatives
- Be current on evolving techniques and models regarding patient and family engagement and resources
